To whom it may concern

Letter of Reference, Mr Luis Schroeder

Mr Luis Schroeder, born 16 August 1997, asked me to prepare a letter of reference for him, and I am delighted to comply with his request.

I know Mr Schroeder since April 2021, when he participated in my online course Business Valuations, which is part of the Financial Accounting, Controlling and Taxation Master Studies at Westsaechsische Hochschule. Mr Schroeder appeared to me as a very engaged and interested student and accomplished the course as best in class with a final degree of 1.3 (very good).

His extraordinary performance in the course was also the reason why I approached him when I was searching for a student assistant in October 2021 and I was fortunate to convince him to join my team. Mr Schroeder supports me in preparing the material for my lessons, particularly relating to Corporate Finance and Business Valuations, and in designing my website.

Mr Schroeder executes his tasks with utmost care, diligence and organisational skills and always to my fullest satisfaction.

If you should have any further questions please do not hesitate to contact me.

Yours faithfully
